The Company makes reference to the continuously developing situation relating to Covid-19 in Malta and in other countries around the world.

Impresa Ltd, being the holding company of IG Finance Plc and the guarantor of the €3,700,000 5.5% Unsecured Bonds 2024-2027 issued by the Company, is monitoring the situation on an on-going basis to ensure that action is taken with priority to the wellbeing of its employees and customers in mind. To this extent, the Impresa Group has abided by, and will continue to abide by, all the directives issued by the competent authorities.

It is natural to assume that Covid-19 will unavoidably have a negative impact on the Impresa Group’s performance for 2020. However, it is too early to quantify the adverse impact at this stage. Management confirms that the Group is also taking measures, within its control, to mitigate the adverse impact on its business, both operationally and financially.

The Impresa Group will keep its bondholders and stakeholders informed by means of company announcements when the effects of Covid-19 are clearer.
